# TOP 3 TIPS BEFORE BEGINNING YOUR DIY FENCING PROJECT

## TIP 1: COUNCIL REGULATIONS

You may need to check with your local council if there's any restrictions that may apply to your fencing or boundary wall project.

Things like wall height and materials could be regulated, so it's best to give them a call first and get the necessary information that applies to your project.

Here are [some directories](#) to help you find the contact details for your local government office.
